Note: Conditional Registration Requirements

For the vehicle owner:

1. Ensure that all paperwork for the Department for Infrastructure and Transport - South Australia is filled in correctly.
   Historic, individually constructed, left-hand drive and street rod vehicles

2. For **LHD vehicles,** the issued DPTI Certificate of Exemption number **must be** quoted in the front of the issued (by the Club) Log Book.

3. For any vehicle that has been **modified from its original manufactured condition** that requires Engineering Certification, the vehicle **must** carry the issued documentation (from the responsible registered Engineer) whilst being operated under the Code of Practice.

4. All vehicles that have been **converted from LHD to RHD** must maintain the affixed 'plate or transfer' that certifies the conversion.

5. All the relevant documentation needs to be viewed by the Registration Officer at the time of registration. **Log books will not be signed off if not supplied.** It is the responsibility of the owner to follow up with the DPTI for any missing documentation.
